

**Digital Transformation
to Address Youth
Unemployment
CliMaX**

5th Youth Forum on SDG Implementation - Preliminary Round

Dain Kim, Seojung Park, Jaekyung Lee

Contents

Section I.

Background and Challenges

Section II.

Objectives of CliMaX

Section III.

Action Plan

Section IV.

Engagement and Monitoring

CliMaX

Challenges following after the Covid-19 pandemic

Youth Unemployment

Global rate 13.6 %
(2020, ILO)
Coronavirus-driven recession
on young workers

Digital Transformation

“Phono Sapiens”
Transition of human living
space to digital platforms

Interdependence

Productivity-boosting effects of technological innovation

MaXimize Youth Potential: **CliMaX**

Overview

- ✓ Non-governmental organization in response to digital transformation, whose members consist of youth.
- ✓ Discussion centered in youth's view
- ✓ Hear the youth's voice much clearer

Objectives

Educational opportunity

Alienation of the members of the underprivileged in the digital transformation process

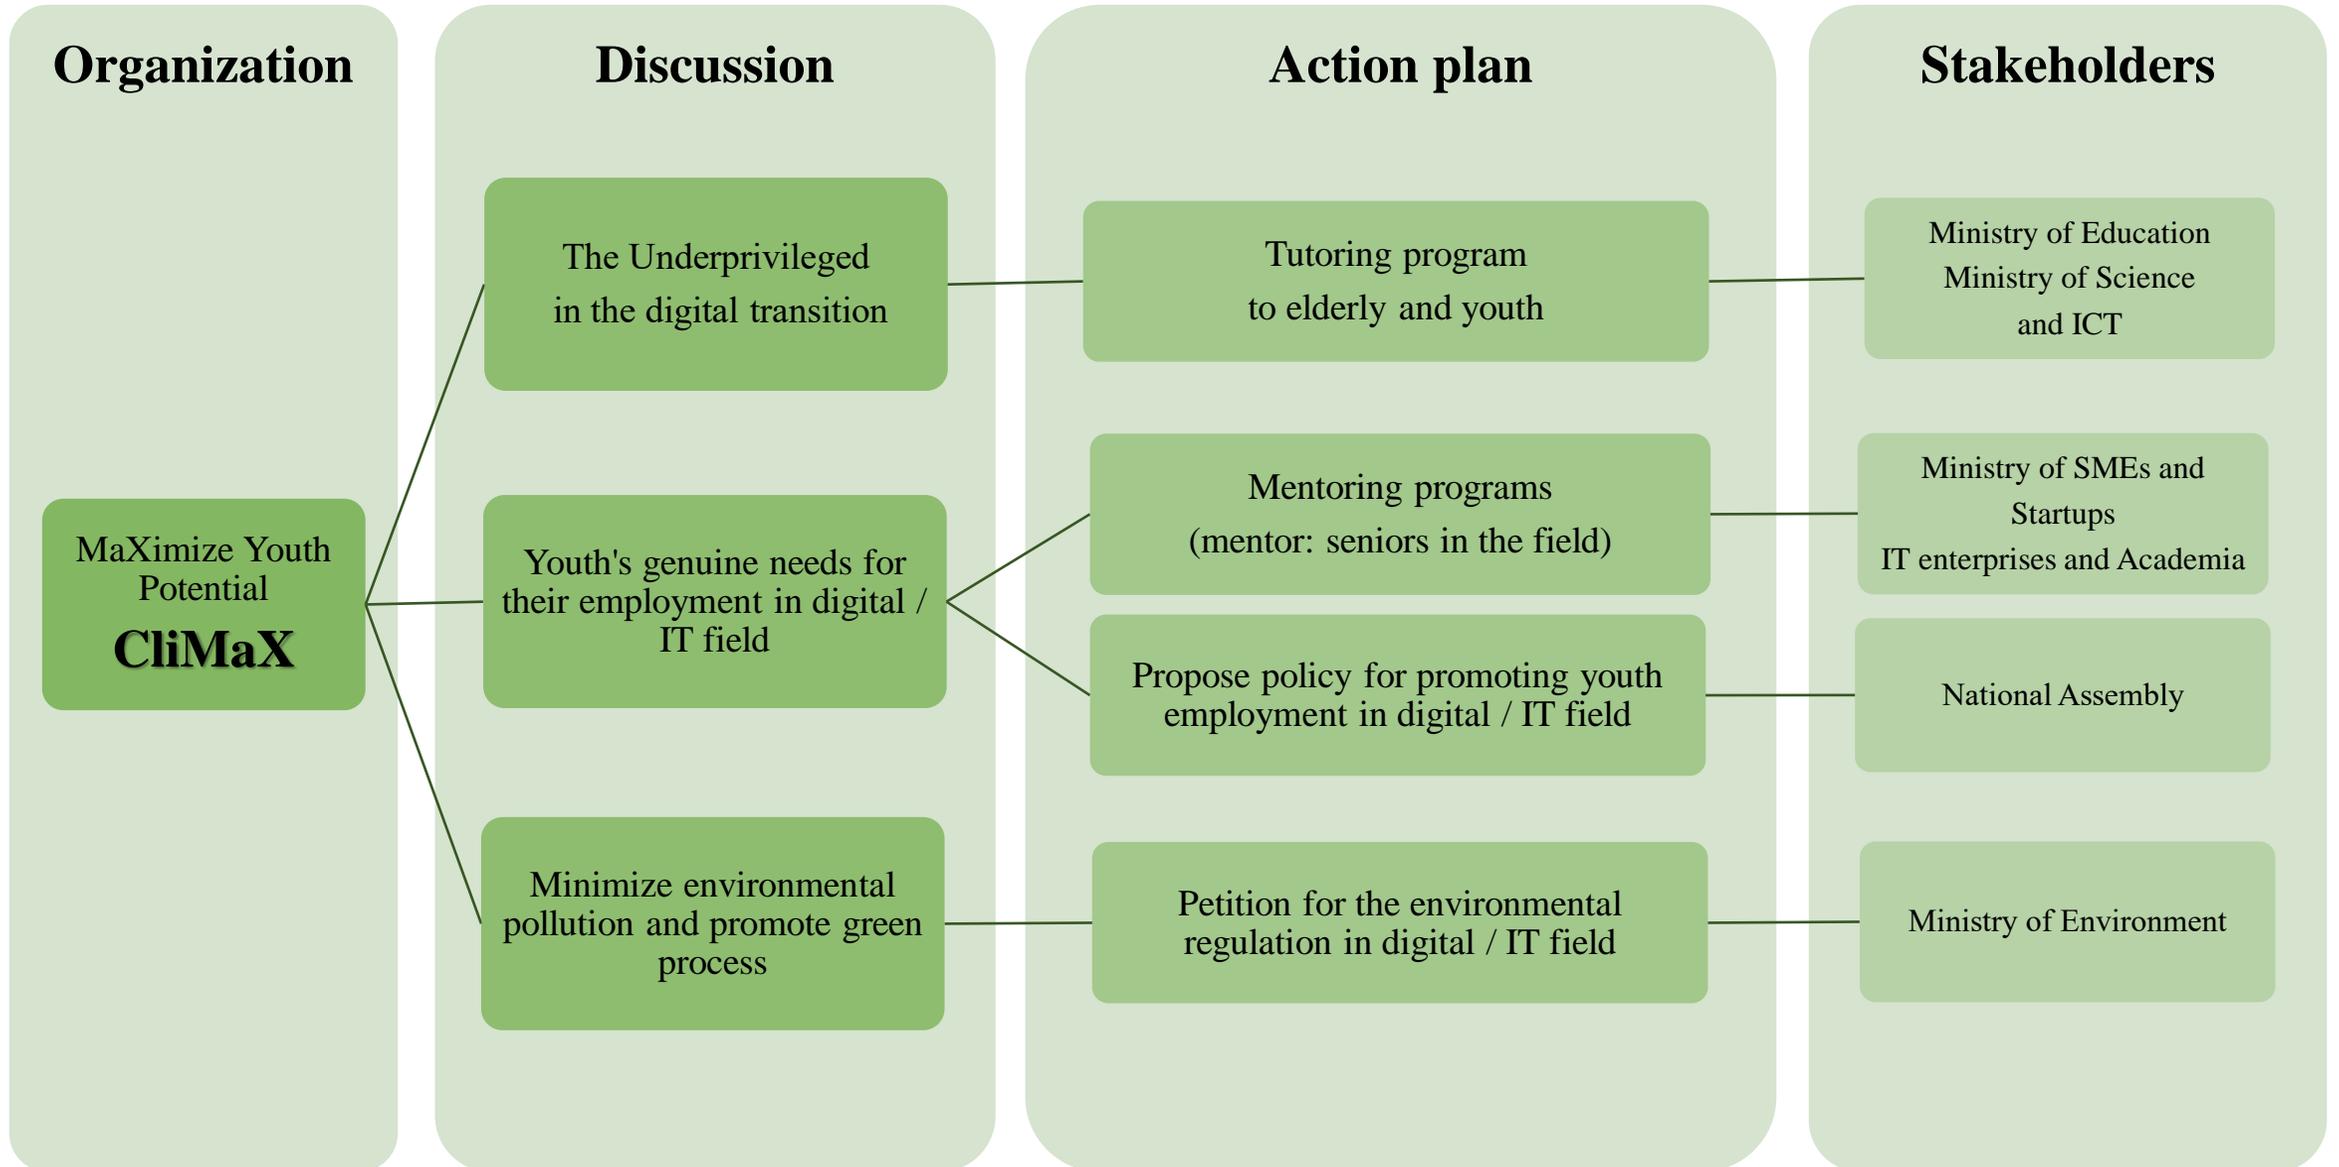

Access to jobs

Foster IT industry-related personnel by providing the youth with opportunities to build relevant careers.

Environmental sustainability

Invest in the development and deployment of greener digital technologies and develop methods to measure the net impact of green digital technologies on the environment and climate.

CliMaX

CliMaX

Action Plan

Tutoring Program

- ✓ Care for the stragglers in the stage of digital transformation
- ✓ Youth of CliMaX become tutors

Mentoring Program

- ✓ Promote a mentoring program operated by themselves
- ✓ Digital enterprises supply the senior mentors who have substantial experience in their field

Propose Policy

- ✓ Propose policies for promoting youth employment in IT and digital fields.

Petition for the Environment

- ✓ Suggest policies to their governments certain regulations or infrastructures.

Engagement

Regular discussion sessions via *metaverse*
→ Target M/Z generation

Regular surveys on the needs of youth outside CliMaX

Monitoring

Advisors
(from each Ministries)

**Non-headquarter
CliMaX members**

**Monitoring
Council**

Expectation

- ✓ Interactive and open Governance
- ✓ Development in individual competence
- ✓ Opportunity for job transfers, pipeline multiple jobs, freelance jobs
- ✓ Exchange of information and business
- ✓ Networking/promoting youth start-ups
