

# Effective National to Local Public Governance for SDG Implementation

Team U & United Students of Korea

# **SDG 17**

## Partnerships for the Goals

Revitalize the global partnership  
for sustainable development.

The SDGs can only be realized with  
strong global.

# Establish Collaborative Governance

What is **Collaborative Governance**?

A way for various government and private organizations to achieve common goals or solve social problems that are difficult to achieve in other ways through participation and communication.

The Problem of Present Governance

1. Unilateral communication
2. Following bureaucratic procedures
3. Inefficient administration

# Why is Collaborative Governance Necessary?

- Able to apply both vertical coordination mechanism and horizontal coordination mechanism at the same time
- Can hold multi-level regulatory governance so that various level of government can cooperation
- Extend self-determination right of local government
  - local governments will strengthen their regulatory review functions as much as possible

# Vertical Coordination Mechanism

- **Benefits**
  - Strong point of presence governance system
  - Resolution of speed problem
- **A clear separation of roles is essential for the implementations of SDGs to occur**
  - Youth's function as advisors, providing data and first-hand experiences that they go through
  - Government functions as a evaluator, planner, and implementer of the ideas proposed by the youths

# Horizontal Coordination Mechanism

- Following bureaucratic procedures and helping to build post-bureaucracy system
  - Bureaucratic procedures:
    - More **cooperative** systems, **departments** share power.
  - By using this example, youths can present their ideas in **meetings and research**.  
(take advantage of first-hand experiences)
    - Education: Job training opportunities - **virtual education** providing **real life experiences** - meetings with employees and employers
    - The government's role will be to share their policies, after **consideration of the youth's ideas**.

# Educational Supplement Method

Objective :

1. National/Local Public governance will attend the **preparation process**
2. Develop political education (governance experience), leadership, teamwork, communication skills
3. Increasing interest in SDGs around youth.
4. Creating a space for decision making and discussion skills
